Professional Summary

.NET Developer with hands-on experience building web applications using C#, ASP.NET Core, ASP.NET MVC, and SQL Server. Experienced in developing both backend services and server-rendered UI using Razor/CSHTML, along with implementing RESTful APIs and database-driven functionality. Skilled in T-SQL, stored procedures, debugging production issues, and integrating modern front-end frameworks such as React and Next.js with .NET backend services.

Skills

Languages: C#, TypeScript, JavaScript, Python, C++, C

Frameworks: ASP.NET Core, ASP.NET MVC, Web API, React, Next.js, Razor Pages

Database: Microsoft SQL Server

Database Technologies: T-SQL, Stored Procedures, User-Defined Functions (UDFs), Triggers

Tools: Visual Studio, VS Code, SQL Server Management Studio, IIS, Postman, Crystal Reports, Git, SVN

Concepts: REST APIs, SOAP APIs, Database Design, Debugging, Agile Development

Experience

.NET Developer (Trainee)

Oct 2025 – Present

LunivaTech Pvt. Ltd., Nepal

- Developed web application features using **ASP.NET MVC / Razor (CSHTML)**, implementing controllers, views, and backend services.
- Built and maintained **RESTful APIs using ASP.NET Core** to support application modules and data integration.
- Designed and implemented **T-SQL stored procedures** in Microsoft SQL Server to handle application data access and reporting.
- Developed **Crystal Reports** for automated healthcare reporting and operational data analysis.
- Debugged and resolved application issues in an **enterprise healthcare management system**, improving system stability and maintainability.

.NET Developer (Intern)

Jul 2025 – Oct 2025

LunivaTech Pvt. Ltd., Nepal

- Assisted in developing backend features and **REST APIs** using ASP.NET Core and C#.
- Supported debugging and maintenance of production issues, improving overall application reliability.
- Collaborated with senior developers to implement new features and improve existing application modules.

Projects

ArtfulMinds — ASP.NET Razor Pages

- Developed a platform where students can upload and share their creative work with peers.

Personal Portfolio — Next.js, Tailwind CSS

- Designed and developed a responsive portfolio website.

Education

BSc. CSIT

Himalaya College of Engineering

2022 – 2026
